

Harmonisation of Web Accessibility labels according to Support-EAM and UWEM

Dominique BURGER, INSERM U592, France
Association BrailleNet

Support-EAM project

- funded by the European Commission INFISO DG
- Specific Support Action
- Information Society Technologies - e-Inclusion
- 6th Framework Programme
- contract IST-2-004754-SSA

Web Site : www.support-eam.org

Partnership

Label Owners:

Brailenet (Accessiweb)

Bartimeus Accessibility (Drempelvrij)

Teleservicios (Sello de Accesibilidad)

Universities: **Linz** (AT), **Leuven** (BE), **Dublin City** (IE)

Testing House: **AccessInMind** Ltd (UK)

Results

1) CEN Workshop Agreement (CWA): *Specifications for a complete European certification scheme concerning the delivery of a Quality Mark for Web Content Accessibility*

2) Unified Web Evaluation Methodology

3) Web Accessibility Evaluation Curriculum, for raising and harmonising expertise

Harmonisation strategy (Implementation Plan)

Harmonisation strategy

- 1) Local methodology in English
- 2) Correspondance with UWEM
- 3) Mutual recognition
- 4) Cooperate towards a European label, tools, services, a European Institute, based on UWEM

First case

**English Translation
and UWEM
correspondence
09/06**

**English Translation
and UWEM
